Narrative Justification for Award:

Kevin is nominated for an award for exceptional customer service. Throughout this past year Kevin has greatly contributed toward a more cohesive HQ Operations Branch (HOB) by supporting a cross section of the HOB responsibilities. His commitment to teamwork, demonstrated through collaboration with the Office of Mission Services (OMS) staff, our various Federal Triangle partners including GSA and his diligent approach to quality assurance has increased the efficiency of many HOB processes resulting in greater customer satisfaction. Kevin continues to demonstrate a higher level of professionalism that helps to assure that the HQ Operations staff meets its goal of excellent customer service.

This nomination also reflects the many valuable contributions Kevin made to the FY2019 Customs Border Patrol (CBP) Valor Program and the HQ Security team. As a member of the Operations branch, he participated in the planning of the CBP event and supported several event activities. This included our security set up, escorting contractors, CBP guest and dignitaries. Throughout this project he was an active participant who worked well with the CBP staff, GSA contractors and FMSD staff to complete numerous request to accommodate over 160 participants. In addition, Kevin's dedicated professionalism continues to assure that all HQ security support staff who implement the security procedures have been properly educated and are committed to the execution of both EPA and FPS security policy and procedures resulting in greater security awareness. For these reasons, I nominate Kevin for an award.

As the Authorizing Official I certify with electronic signature (in FPPS) that all necessary concurrences have been gained for approval of this award in addition to verification that the award amount is not \$5000 or greater and that the FY cumulative award amount(s) for this employee is not \$5000 or greater.
